Presentation to the Ilkeston Chamber of Trade:

The Ilkeston Chamber of Trade invited our secretary Ray its latest meeting to share with its members Long Eaton's progress over the recent years.

Having given a background to the history of the Chamber Ray covered items discussed at their monthly meetings. Membership growth last year saw the numbers rise from 19 to 33 and this was achieved by lively meetings, social events, good PR and marketing, plus monthly newsletters and web site information.

The Chamber is involved with annual town centre competition which links into the Long Eaton Carnival and also arranges the many charity stalls at Christmas time. Regular meetings, along with the Ilkeston Chamber of Trade, with Erewash Borough Council have been productive for both towns. A close working relationship also exists with the Erewash Partnership.

A major activity has been the work of the Chamber with EBC on getting recognition of Long Eaton being the "UK Centre of Upholstery Excellence" and this is nearing completion.

Other improvements have seen all members receiving a framed membership certificate, shop window and car stickers saying “Member of the Long Eaton Chamber of Trade” a summer and Christmas social, promotional literature and two advertising stands.

In summary their monthly meetings are fun, progress is made on a regular basis and networking between members is encouraged.

Sharon Flint the Chair of the Ilkeston Chamber of Trade said “The talk was very much appreciated and it gave their Chamber not just some ideas, but very importantly the confidence that we can move forward and have an active Chamber”
